Email to Des Drew

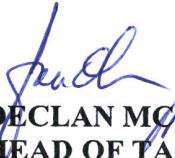

RE: North East Forestry Growers AGM

Des,

I would like to thank you for the invitation to attending the AGM and would ask you to pass my thanks to the meeting.

I find these meetings extremely informative and helpful for myself as to keep me in touch with what's going on and the questions from the floor are always the important part as this is the part that everyone learns from. Again thanks for the invitation and should you require anyone who has issues get them to email me or ring me.

Yours sincerely
