Re: Demonstration Day 21st June 2017

Many thanks to all who attended the demonstration day on Wednesday 21st June at Brian & Ann White's site in "Loughlinstown Farm, Co Meath. We were delighted with the turnout on the day and it was a pleasure to witness such an interest in the Biomass Harvesting, something we are very passionate about. The event also allowed us the opportunity to network with other forestry owners which was great to be apart of.

For arranging the event and giving us the opportunity we would like to thank John Sherlock, we are thrilled with the success from it.

Brian and Ann White; big thanks for allowing us to hold the event on your premises and for the wonderful hospitality you provided to all on the day, it was greatly appreciated.

And lastly thanks to all who attended, we hope to witness your support again at other demonstrations we hope to hold in the future.

Many thanks

Warm regards

Cathal Lawlor
