049 4376300

**Nearest Gardai:
Phone No:** Cavan Garda Station, Farnham St, Cavan
049 4368800

Grid Reference: 54.053150 -7.301090 (Google maps)

Site Contact Details: 087 1216159

Directions to site: At the main gates of Ballyhaise College turn left, cross the stone bridge and turn right after the old creamery building. Follow in the lane for 1km, the site is on the left hand side. The site is known locally as the Camp hill.

**Location of nearest
mobile
signal reception:** Good phone reception throughout the site

Comments: First aid kit in the car, Personal Protective Equipment (PPE) consists of combination helmet, gloves and hi-vis vest. Ring designated contact on arrival on site and every 2hour thereafter as agreed. I will be working near the old hut on the right hand side of the entrance. There is a brashed path beside the telegraph pole.

Risk Assessment Title:High Pruning
