

5th February 2026

Circular 2 of 2026

To all Registered Foresters

**Re: Reconstitution Scheme for Windblow 2026**

As you are aware a €55 million Reconstitution scheme for Windblow was announced in December. The scheme offers planting grants, paid in two instalments, similar to those available under the afforestation scheme.

The scheme document can now be found on the Department's website [Reconstitution Scheme for Windblow 2026](#)

The Department will be in contact with all Registered Foresters shortly with details of when the scheme will open for applications.
